Our Goal

Curtin Student Guild is partnering with Relay for Life to raise \$40,000.

Our Event

Curtin University clubs along with students, staff, local community groups and businesses will form relay teams to take up the 12 hour Relay for Life challenge on Saturday, 16th September to Sunday, 17th September.

Visit our Relay for Life page here:

<https://bit.ly/curtinrelay>

Event highlights

Saturday 6pm

Carers and survivors sundowner

Saturday 7pm

Candle of Hope ceremony

Sunday 7am

Celebratory barbeque breakfast

What is Relay for Life?

Relay For Life is a fun and moving overnight experience that raises vital funds for the Cancer Council's research, prevention, information and support services. Relay is a chance for the Perth community to recognise and celebrate local cancer survivors, patients and their carers, to honour and remember loved ones lost to cancer and to raise money to help save more lives.

**Join the Curtin community
and fundraise for this important
initiative.**

Over the past
five years, Relayers in
Australia have raised over
\$108,000,000
for the Cancer Council.

How will Relay for Life

@ Curtin University help?

More than **61,000** Australian lives have been saved over the past 20 years.

\$5 can help us give a newly diagnosed cancer patient important support and information resources.

\$10 can help offer free exercise programs that assist cancer patients in building strength and fitness during and after treatment.

\$25 can help transport cancer patients to and from hospital for treatment.

\$50 can help the Cancer Council Helpline 13 11 20 provide free and confidential information and support on all aspects of cancer.

\$100 can help provide free accommodation for cancer patients, their families and carers during treatment.

\$500 can help pay an overdue electricity, phone, gas or rates bill for a cancer patient who has not been able to work.

\$5000 can help fund ground-breaking research into new and better ways to prevent, diagnose and treat cancer.

Benefits of being on our team...

- Relay is a great opportunity for workplace team building and socialising while supporting a great cause and the wider community.
- Engage your employees and management in a positive, memorable and meaningful experience together.
- Create opportunities for client participation through support of your organisation's team efforts.
- Provide a cathartic opportunity for staff who have been directly touched by cancer.
- Align with a highly-reputable charity and event.
- Integrate employee families into your organisation's community.
- Streamline community and staff engagement efforts and consolidate fundraising activities.
- It's good for you. You can lower your risk of cancer by being physically active every day, so why not add Relay to your list of ways to get active.

Be a Team Player

**You can help the
Curtin community
reach our fundraising
goal of \$40,000.**

We are hoping that as many teams as possible participate during the Curtin Student Guild's 12 hour Relay for Life challenge on 16th and 17th September 2017.

Remember, another way you can fundraise is to organise smaller initiatives in the lead up to 16/17 September weekend.

To form a team visit the Relay for Life website and register for the Curtin University 2017 event.
