

COVID 19 – club communication no.2 – 13 March 2020

Today the Federal Government requested gatherings of more than 500 people be suspended from Monday. As a result, the Guild has decided that it is in the best interests of students to postpone next week's Clubs Carnival and other events where we expect attendance to exceed 500 people.

This is a precaution and **no cases** of COVID-19 have been reported at any WA Curtin campus. The suspension of large gatherings will not impact studies on campus.

While postponing Clubs Carnival is disappointing we are looking at alternative ways of promoting club membership including digital campaigns and opportunities for lower key club activities.

Thank you for your understanding.
